

## Mission and Outreach News

### Light House Station

*1 Thessalonians 2:7 Instead, we were like young children among you. Just as a nursing mother cares for her children...*

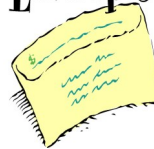

This month's mission is Light House Station. This is a new mission that the Mission and Outreach Committee decided to support this month by having a baby bottle collection. The purpose is to sign a baby bottle out, take it home and fill it with either loose change, paper money, even a check or a combination of either. Then the bottle is returned back to the Church for donation. This collection started appropriately on Mother's Day and will end on June 17<sup>th</sup>. And why is that appropriate?

Light House Station is a maternity home that supports pregnant single women. It is a Christian based mission that offers the following to the women who stay with them: Safe and free housing for up to 6 months after the baby is born, life skills curriculum, goal planning, Biblical counseling and teaching, academic tutoring, and physical, emotional, mental and spiritual support. They are located in Warsaw, NY. If you would like to learn more about them and their program, you may go to their website: [www.thelighthousestation.org](http://www.thelighthousestation.org).

Please consider signing a bottle out and filling it up to support this wonderful mission!

### The First Church of Evans Website

As many of our church members are aware, our church does have a website. We are currently updating the website, showing the great things our church is doing. This includes adding church activity pictures. If you are concerned with your picture appearing on this website, please contact the church office at (716)947-5419 or the site administrator, Scott Carmer, at (716)208-1385. Remember, we would love to share the excitement of our church with our community. Including these pictures is a great way to do just that. Thank you!

### INSTALLATION WORSHIP SERVICE

There will be a special worship service on Sunday July 2<sup>nd</sup> at 4:00PM to formally install Reverend Joseph Han as the permanent Pastor of The First Church of Evans. Leading the worship will be Reverend Stephen E. Ridge and Rev. Dr. Ed Kuffel. Following the service, there will be a welcoming and introduction reception in the Fireplace Room in the Community House. This is the most important event for our church in the last 26 years. Anyone may attend and church members are strongly encouraged to be there to commit your support for our new Pastor as he leads us each week.
